Subject: [Redacted] Cafeteria
Feedback: Cafeteria opens at 11:00. Usually the hot food is not out (because [Redacted] did not provide in time), there are not many hamburgers, hot dogs, fries, out. Why not open the cafeteria at 11:30 or ask [Redacted] to make sure the food is delivered in time for the cafeteria to be open at 11:00. This happens every day and it seems just changing the time or the delivery would make a big difference. Some of the employees only have 15 minutes for lunch; you end up using over 5 minutes just waiting for the food. Could this be looked into. Many people are annoyed by this delay. Seems management could improve on this.
